Chapter 1 by Voltage Towle

I was sitting in my office, looking through my cameras I came upon the Dining area, of where I saw five children, one of them seems to be... crying?

Four other children wearing masks went to him, they took him by the arms and legs and went over to the show stage.

"Hey guys" a child said, "I think this little man want to give Fredbear a big kiss!"

"On THREE! One..."

I quickly got out of my chair and ran towards the show stage.

"Two..."

I was running even faster, hoping to stop them from shoving the child into the mouth of Fredbear.

"THREE!"

They forcefully shove the child into the mouth of Fredbear, laughing at him. Struggling to get out.

I got on to the show stage, trying to save this child from getting his frontal lobe taken off.

I was being made fun of at the kids. Using all I got to get this kid out of here.

But it wasn't enough.

"HA! Come on man! Don't ruin the show!"

I then realized something.

There was some things. I...

"No!" I said.

"Huh? What do you mean no? We can take my brother out of Fredbear's mouth, he's harmless!"

"That's not the case" I said.

"Well then, out with it, what IS it?"

"What I did realize is that the kid who was in the mouth of Fredbear, was crying"

"No, duh" The kid's laughed.

"What I-

WE, didn't realize..."

But before I could finish my sentence...

CRUNCH!

Everything was quiet Cold, Dark, Dead eyes were staring at the show stage Fredbear was broken, the music stopped and I, Dave Miller, was fired from that diner.

Soon, I would become the person causing all the mystery in the diner & pizzeria, Purple Guy.
